Hengrong Du

CONTACT INFORMATION	Fisk University Department of Math & Computer Science	Page: https://hengrongdu.netlify.app/ E-mail: hdu@fisk.edu

RESEARCH INTERESTS

Partial Differential Equations for Machine Learning and Complex Fluids

ACADEMIC POSITIONS

Fisk University, Nashville, TN, USA — August 2025-Present
Assistant Professor, Department of Mathematics and Computer Science

University of California, Irvine, Irvine, CA, USA — July 2024-June 2025
Visiting Assistant Professor, Department of Mathematics

Vanderbilt University, Nashville, TN, USA — Sep. 2021-June 2024
Postdoc Scholar (Research), Department of Mathematics
Mentor: **Dr. Gieri Simonett**

EDUCATION

Purdue University, West Lafayette, IN — Aug. 2016-Aug. 2021
Ph.D., Mathematics
Advisor: **Dr. Changyou Wang**

Beijing Normal University, Beijing, China — Sep. 2013-July 2016
M.S., Computational Mathematics
Advisor: **Dr. Jiequan Li**

South China Normal University, Guangzhou, China — Sep. 2009-July 2013
B.S., Mathematics and Applied Mathematics

AWARDS

- ICM 2026 Travel Grant, American Mathematical Society (AMS) 2026
- Bilsland Dissertation Fellowship June 2020-May 2021
  It was intended to give the most accomplished final-year PhD candidates an opportunity to complete the dissertation within the 2020–21 academic year by devoting full-time effort to research and writing.

TALKS

- Analysis Seminar
  University of Oklahoma — March 2026
- 45th Annual WKU Mathematics Symposium
  West Kentucky University — November 2025
- Southern California Applied Math Symposium
  University of California, Riverside — April 2025
- PDE & Applied Mathematics seminar
  University of California, Riverside — January 2025
- PDEs & Applications Seminar
  Queen's University — January 2025
- Applied Math Seminar
  The University of Alabama — October 2024
- PDEs and Fluid Mechanics and Atmospheric Sciences
  West Virginia University — April 2024
- AMS Special Session on Fluids: Analysis, Applications, and Beyond
  Florida State University — March 2024
- Financial Mathematics Seminar
  Florida State University — March 2024
- AMS Special Section on Dynamics and Regularity of PDEs
  Joint Mathematics Meeting — January 2024
- Seminar on Analysis and Stochastic Analysis
  Auburn University — November 2023
- PDE Seminar
  University of Tennessee, Knoxville — October 2023
- PDE/Applied Math Seminar
  Indiana University, Bloomington — October 2023
- Richard F. Barry Jr. Seminar Series
  Old Dominion University — September 2023
- The 13th AIMS Conference
  University of North Carolina Wilmington — June 2023
- AMS Spring Central Sectional Meeting
  University of Cincinnati — April 2023
- Undergraduate Seminar in Mathematics
  Vanderbilt University — March 2023
- Analysis Seminar
  Wayne State University — March 2023
- 3rd Biennial Meeting of SIAM Pacific Northwest Section
  Washington State University — May 2022
- AMS Spring Central Virtual Sectional Meeting
  Purdue University — March 2022
- Graduate Online Mini-course
  Beijing Normal University — November 2021
- PDE Seminar Fall 2021
  Vanderbilt University — September 2021
- Analysis Seminar

The University of Alabama — February 2021

- PDE Seminar
  Purdue University — September 2020
- Student Analysis Seminar
  Purdue University — February 2020
- Student Analysis Seminar
  Purdue University — February 2020
- PDE Seminar
  Purdue University — January 2020

Conference Participation

- International Congress of Mathematicians (ICM) 2026
  Philadelphia, PA — July 23–30, 2026
- 2026 Rivière-Fabes Symposium on Analysis and PDE
  University of Minnesota, Twin Cities campus — May 1–3, 2026
- Tennessee Quantum Materials Workshop
  Tennessee State University — Nov. 7, 2025
- Lean for PDEs, an ICARM & SLMath collaboration (Virtual)
  The Simons Laufer Mathematical Sciences Institute — Oct. 6-9, 2025
- Summer School on Theory and Applications of Elliptic PDE
  University of California, Irvine — June 23-27, 2025
- Rivière-Fabes Symposium on Analysis and PDE
  University of Minnesota — Apr. 19-21, 2023
- Shanks Workshop on Advances in Mathematical and Theoretical Biology
  Vanderbilt University — Mar. 17-19, 2023
- Workshop on Geometry and Analysis of Fluid Flows
  Stony Brook University — Jan. 16-20, 2023
- AMS Fall Central Sectional Meeting
  University of Texas at El Paso — Sep. 17-18, 2022
- Shanks Workshop on Mathematical Aspects of Fluid Dynamics
  Vanderbilt University — Feb. 19-20, 2022
- KUMUNU-ISU Conference on PDE, Dynamical Systems, and Applications
  University of Nebraska-Lincoln — Oct. 23-24, 2021
- AMS Fall Western Sectional Meeting
  Online — Oct. 23-24, 2021
- The 84th Midwest PDE Seminar
  Illinois Institute of Technology — Oct. 26-27, 2019
- Midwest Geometry Conference 2019
  Iowa State University — Sept. 6-8, 2019
- The 83rd Midwest PDE Seminar
  Indiana University Bloomington — Mar. 30-31, 2019

Teaching Experience

Instructor at Fisk University — Fall 2025-Present

- MATH 110 - Precalculus — Fall 2026
- MATH 130 - Calculus II — Fall 2026

- MATH 220 - Introduction to Higher Algebra — Fall 2026
- MATH 125 - Discrete Mathematics — Fall 2026
- NSCI 285 - Bioinformatics — Spring 2026
- MATH 110 - Precalculus — Spring 2026
- MATH 130 - Calculus II — Spring 2026
- MATH 240 - Linear Algebra — Spring 2026
- MATH 125 Discrete Mathematics — Fall 2025
- MATH 130 Calculus II — Fall 2025

Instructor at University of California, Irvine — Fall 2024-Spring 2025

- MATH 3A Introduction to Linear Algebra — Spring 2025
- MATH 112B Introduction to Partial Differential Equation — Winter 2025
- MATH 3D Elementary Differential Equations — Fall 2024

Instructor at Vanderbilt University — Fall 2021-Spring 2024

- MATH 3100 Introduction to Analysis — Spring 2024
- MATH 2400 Differential Equations with Linear Algebra — Fall 2023
- MATH 3100 Introduction to Analysis — Spring 2023
- MATH 3100 Introduction to Analysis — Fall 2022
- MATH 1301 Accelerated Single-Variable Calculus II — Fall 2022
- MATH 2420 Methods of Ordinary Differential Equations — Spring 2022
- MATH 2400 Differential Equations with Linear Algebra — Spring 2022

Recitation Instructor at Purdue University — Fall 2016-Summer 2021

- MA 26200 Linear Algebra And Differential Equations — Fall 2019
- MA 16200 Plane Analytic Geometry And Calculus II — Spring 2019
- MA 16500 Plane Analytic Geometry And Calculus I — Fall 2018
